Zepp Children's Foundation About Us

Bill and Sally Zepp were inspired to start the Foundation in honor of their three sons Alex, Andrew and Avery and the profound effect Fragile X Syndrome has on their children and family. Fragile X Syndrome is the most common inherited cause of mental impairment. It is also the most common known genetic cause of Autism.

You Lucky Dog, a family-owned pet store located in Eldersburg, Maryland, offering top-quality pet supplies & products for dog & cat owners.

Our business began with a dream, but our logo is a reality, in honor of our family dog. We adopted her from the animal shelter & brought her home St. Patrick's Day 1992. We just had to name her “Shamrock.” Being Irish ourselves, it just seemed a perfect fit. She was with us 15 wonderful years, and it’s in her memory that we use her as our mascot. We’ve chosen our products very carefully to ensure only the best for your family pets. We’re confident you will be as satisfied as we are with our special selections.

Trellis Services: Providing Autism Waiver Services, Behavioral and Developmental Consultation for all Developmental Disorders

Our philosophy is to utilize the strength of a team approach to ensure holistic and thorough treatment. We base assessment, goal development, and monitor progress on an Applied Verbal Behavior Model. In addition, we integrate speech and language, sensory processing, behavior management, and other developmental concepts into objective goals. Our focus is to access the child's motivation in developing a love of learning. Natural environment teaching and systematic instruction are used to provide a fun, yet effective learning environment.
